Boston Group Services are primarily dedicated to consumers, Builders & Developers whom operate construction practices in the Victorian Building Industry.

We recognize that Building Practitioners and consumers operate in very difficult environments and the Boston Group have developed many new management skills & tools to assist and run their businesses more effectively.

Our background was built on the very needs that Builders & Developers face in every day practice as we have also completed many large scale projects through to smaller projects and we understand the many frustrations and challenges that face your business and your future on a day to day basis.

We also have a finance data bank with over 140 contacts with financial institutions all over Australia and the World for project development finance from Domestic Turn-Key financing through to Major Commercial works Project funding.

If we can be of any further assistance please do not hesitate to contact us directly on **0408 911 911**.
